This plat of the resurvey of Township No. 42 North, Range No. 88 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved February 16, 1885 in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of areas and more detailed descriptions of the various smaller subdivisions except that the unpatented lands in the west range of sections and in south half section 32 have been relotted with their true areas and are subject to disposal on the basis of this plat

Resurvey authorized by the Commissioner's letter "E" dated March 28, 1929

Office of U. S. Supervisor of Surveys
Denver, Colorado, September 14, 1931.
The above plat of Township No. 42 North, Range No. 88 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the survey thereof which have been examined and approved

U. S. Supervisor of Surveys

DEPARTMENT OF THE INTERIOR
GENERAL LAND OFFICE
Washington, D. C., March 15, 1932
The survey represented by this plat having been correctly executed in accordance with the requirements of law and the regulations of this office, is hereby accepted

Assistant Commissioner
